

KYRIAKO BOW SHIPPING & HANDLING

SHIPPING

Processing

Your order will be processed once the payment has been finalized and received by Kyriako Bow. You will then receive a receipt of your order and notification that your order has been processed. Your order will then be shipped out and delivered within the estimated amount of days determined at checkout.

Kyriako Bow is not responsible for any delays that may occur in receiving payment via Pay Pal or any other methods of payment. Any such delays will also delay the shipping time determined at checkout.

Once your order has been shipped, Kyriako Bow will notify you with all shipping and tracking information pertaining to your order.

Canada Shipping

Kyriako Bow ships to all addresses in Canada. Shipping costs are determined at check out. Rates for shipping are applied based on quantity and by the address/location/country that the orders are to be shipped to. Please ensure that all delivery addresses are correct and that they are complete to avoid any delays in your shipment. For more information on how rates are calculated and delivery times, please see the delivery rate chart below.

Please note that additional shipping charges may apply to “out of zone” delivery areas. You will be notified if your address falls within this category and of the additional delivery charges that apply.

Please note that the estimated delivery dates do not reflect any delays due to statutory holidays, delivery PO BOXES, and “out of zone” delivery addresses.

If you refuse to receive your shipment at the time of delivery, you will be charged the full amount for the order and will not be eligible for refund or exchange.

International Shipping

Shipping costs are determined at check out. Rates for shipping are applied based on quantity and weight, and by the address/location/country that the orders are to be shipped to. Please ensure that all delivery addresses are correct and that they are complete to avoid any delays in your shipment. For more information on what countries we deliver to, how rates are calculated, and delivery times, please see the delivery rate chart below.

If you select a shipping option that indicates there is no tracking available, please note that Kyriako Bow is not responsible for any orders that may be lost or damaged while in transit to your location. Any orders without a tracking number that are lost in transit are not eligible for a refund or store credit. We advise to always choose a traceable shipping service when placing your order with Kyriako Bow.

Please note that all international orders outside of Canada are subject to additional taxes, duties, brokerage, handling fees that apply to that region and may be subject to delays at customs. These additional charges are your responsibility and are not reflected in the order invoice.

Please note that the estimated delivery dates do not reflect any delays due to statutory holidays, delivery PO BOXES, “out of zone” delivery addresses, and customs delays.

International shipments have the following rules:

- Not eligible for free shipping promotions
- Not able to ship more than 15 units per order
- No gift wrap or gift boxes may be sent
- No orders containing fragrance or food
- Customer is responsible for all duties, taxes, additional brokerage

If you refuse to receive your shipment at the time of delivery, you will be charged the full amount for the order and will not be eligible for refund or exchange.

Please contact us at info@kyriakobow.com if you have any inquiries.
